THE SWORD OF LOCKSLEY

This glorious sword is rich with adornment from the Locksley coat of arms to scenes of Sherwood Forest. The high carbon blade has three crosses of Locksley acid-etched into its deep fuller on both sides. The entire hilt has been antiqued and the ringed metal and black leather grip is stout enough for even two hands. Encrusted within the cross of the pommel is a rich green stone. The lavish scabbard comes complete with a heavy period belt and emulates the antique finish of the rich sword with equally ornate forest fittings. Made by **Windlass Steelcrafts®**.
